CREDITON FOODBANK

This week the foodbank is running low on **biscuits, cereals and tinned tomatoes.** Thank you to all who regularly support the Foodbank. I love to watch Keith (who takes the items into Crediton Foodbank) stagger down to his car under the weight of lots of supplies! If you want to make a cash donation, which goes towards buying fresh produce to supplement the food parcels the details are: Crediton Foodbank, sort code 40/20/30 and a/c no. 12600641.

THE GIVING MACHINE

It is a while since we have plugged this, but if you shop online this is a simple way to add to your favourite chosen charities. **PCC Sandford & Upton Hellions** is registered on the site so go to <u>www.thegivingmachine.co.uk</u> to find out how you can register as a Giver.

IN YOUR PRAYERS THIS WEEK

- Thank God for the communal space of the Millennium Green and for all the volunteers who manage it. It has literally been a godsend through the pandemic.
- Today is Sea Sunday. Remember those who work on the sea, are in the navy, transport goods, catch fish and for the lifeboat and rescue services. Remember too asylum seekers who put to sea in unsuitable craft in a desperate bid to make a better and safer life for themselves and their families.
- Pray for those who live with long term poor health, whether physical of mental. Pray also for those who live with them and/or care for them.

SUNDAYS READINGS: Amos 7:7-15; Psalm 24; Ephesians 1:3-14; Mark 6:14-29

These readings all remind us that walking God's way is not for wimps, indeed maybe our bibles should come with a warning notice: *Following the God you meet through these pages is usually dangerous!* Sometimes it takes courage as no-one wants to be laughed at, belittled, even discriminated against at work. How encouraging it is when people in the public eye are prepared to be open about following Jesus. Both Raheem Sterling and Bukayo Saka in the (so far) winning England Football squad are committed Christians – what great role models they make for our young people.
