Clergy: Revd. Janet May 01363 779363 janetmay69@gmail.com

Friday 2nd August

Janet - Janet had her knee replacement procedure yesterday afternoon. All seems to have gone well although, as those who have had it know, the pain level is high. She had a cup of horlicks with her morphine last night! Please keep her in your prayers as she convalesces.

St. Basil's - The group from St Basil's who have used our church on the first Sundays of the month recently, will not be with us on Sunday 4th. They are going to Creationfest in Cornwall instead. This is a Christian festival celebrating God and the created world, a wonderful family weekend. We will miss them!

Sandford School Bench End - is missing (but with permission!) It is in Ottery St Mary Church for an exhibition of carvings by the late Henry Phillips. Over 50 pieces have been gathered from around the country for this one-off event which runs from 9th to 13th August.

In your prayers - while you are enjoying the sunshine, please remember and look out for those who for various reasons, find life difficult at the moment.

Locally please pray for Mary Rose and Ronald, Doug, Ann (Still), Patrick (recently moved into Kenwyn, Andrew MM who as well as a bad back has had a fall and broken two ribs and Simon and family who move out of the village this month. We continue to pray for Janet and the various ministers who will be covering her many churches.

Further afield we hold close the families and town of Southport, we pray for those coming and going on holiday that it is a time of refreshment and happiness and for those around the world living in conflict or war situations.
